

FRIGERIO VIAGGI®

**IMA ITALIAN MISSION AWARDS 2022
THE SPECIAL AWARD FROM THE PUBLISHING HOUSE AT FRIGERIO VIAGGI**

Milan, 17 May 2022 – The **IMA Italian Mission Awards** gala evening took place yesterday evening at the National Museum of Science and Technology in Milan, the night of the **Business Travel Oscars**: an event that puts the most important operators in competition in the sector and the best travel managers, who are judged by impartial representatives, with a jury made up of selected travel managers and representatives of the press.

Frigerio Viaggi obtained the **Special Award from the Publishing House**, recognition for the commitment and activities carried out in **over 70 years of company history**. Here are the reasons for the Award presented by the jury: *An all-Italian family-run company with long experience in the sector, a group of agencies and networks among the first founded in the travel market. An agency that has invested in the development of technological solutions, with particular attention to the needs of companies and corporate travel.*

"It is an honor to obtain this award" comments **Simone Frigerio, General Manager of Frigerio Viaggi** who collected the award on stage at IMA 2022 "We have invested heavily in recent years in **proprietary technology for Business Travel**, developing new ways of approach and bringing about evolutions from an increasingly digital perspective. I also want to share this award with the **Frigerio Viaggi Operations Team**, because all this was possible also and above all thanks to the daily commitment of the professionals who work with passion for our company".

FriTravel App is the new ecosystem born from the development of the CTMP portal (Corporate Travel Management Portal). A smart and intuitive platform for managing corporate travel, an end-to-end solution that covers the entire process: from travel **authorization** to **estimates**, from travel confirmation to sending **documents and reporting** accounting, **statistics**, pursuit of the **Travel policy** and **substitute conservation** of expense reports (single and non-single receipts) of traveling staff. A process approved by ANORC and the Revenue Agency. FriTravel App is a **responsive web-app**, with **user-friendly** graphics and a single integrated dashboard to access all the main information. It is **multilingual** (available in 14 languages), allows saving **searches** with automatic price updating and **automatic acquisition** of centralized credit card expenses. These are just some of its strengths.

FRIGERIO VIAGGI - The Frigerio Group today brings together over 50 travel agencies and travel planners throughout Italy and offers guarantees of seriousness and reliability. Individual and group travel, Holidays, Incoming, Business and Corporate Travel, Meetings, Incentives, Congresses and Events without forgetting Communication and Marketing: these are the areas of excellence in which today the company stands out for giving each of its individual customers, in addition to the care and attention that are part of its tradition, a unique solution and unrepeatable.
