

WALKING TOUR FOR KIDS

MILAN

AROUND WITH LISA

A TOUR AMONG KNIGHTS, MERMAIDS AND DINOSAURS. THROUGH HISTORY AND LEGENDS

Walking Tour with Lisa, a very distant relative of Leonardo, the genius who painted the Mona Lisa and the Last Supper in Milan. Lisa is the friend in the cell phone taking the boys to a very surprising tour, to the discovery of the most beautiful stories, legends and curiosities of Milan. This tour and the relating map will allow them to discover the most amazing places of the city: from the Castello Sforzesco to the Museum of Natural History and the Duomo Cathedral. A route to enjoy in one breath, or whenever they wish or have time enough. A tour they can live again at home or anytime they want to. Come on... Lisa can't wait to start an absolutely unforgettable experience.

AROUND WITH LISA

DISCUSSED TOPICS

History, art, curiosities, mysteries, legends, stories, sport and games

WALKING TOUR AREA

Castello Sforzesco, Sempione Park, Duomo and Milan City Centre, Triangle of Silence and Museum of Natural History

HOW TO PARTECIPARE

Download the OpenCITY App for free and purchase the Walking Tour – you can activate it thanks to a proper code you'll receive. Listen to and follow the voice of Lisa taking you to the discovery of the most beautiful city places. You could manage Lisa's suggestions in full autonomy, stopping them and listening to them over and over again at any time. Even from your home.

LENGTH OF THE ROUTE Around 1:45 minutes on foot, with no visits to the museums

SUPPORTED DEVICE Starting from IOS 10 and from Android 5

LANGUAGES OF THE WALKING TOUR Italian and English

RECOMMENDED FOR Everyone

There might be some architectural barriers: we do not recommend Walking Tours to people with severe disabilities, unless they are accompanied
